

T H E Argentina Announcer

“The LORD liveth; and blessed be my rock; and let the God of my salvation be exalted.”

Psalm 18:46

◆ Well, its official, this winter here in Argentina was the coldest one in the last 11 years, and the 8th coldest in the record books. We are really looking forward to the arrival of spring. With that in mind, we are gearing up for our spring **fellowship Sunday service to be held on September 30th**. We will be going door to door again in the local neighborhoods, handing out tracts and inviting folks to come participate. Please pray for this activity.

◆ This past month, we were invited to preach in a church in Rosario that suffered a split last year. The pastor, his family, and the remaining members are all still hurting and trying to recover from what occurred. The Lord gave us 2 opportunities to minister to these dear people. What a blessing it was. I have also, been invited to go to the city of Cordoba soon to preach there. Please pray that God will use me there as well.

Prayer Requests

- Salvation - Jose, Joaquin, Gustavo, Sebastian
- Spring activity
- God's grace and guidance

◆ While on furlough, one of the men I have been trying to lead to the Lord moved to England to try and find work. Sebastian messaged me recently to let me know where he was. He told me about the situation and assured me that he had with him the Bible and materials that I gave him. **Please pray for his salvation**, as he continues to be open minded. Also, pray for me as I continue to witness to him half-way around the world.

◆ The regular attendance has dropped off sharply this winter . Most of our people don't even answer our calls or messages, so we can't say exactly what has happened, other than that our adversary, the devil, is at work. Praise God, we **have had some visitors** during this month and 2 have been back more than once. Carla has recently been able to renew contact with a couple of young ladies that attended some years ago, but have been drifting around from place to place between boyfriends. **Please pray for Brenda and Cinthia**, that God will touch their hearts.

◆ Please pray for our family and our safety. The economy here continues to get worse. There is much unrest brewing among the people. It seems that we may be headed into another national crisis like the one that was taking place when we first came to Argentina 2002. During that time the banks were closed for months, there was looting and violence throughout the country. But **we know that God is more than able to protect us!**

◆ **We thank you all for your continued prayers and support for the ministry here.**
