Church Growth

Since my last letter, we have seen visitors almost every week, and two of these visitors have started coming on a regular basis: Michi (Michael) and Tabea—please pray with me that they will get saved. I have an appointment to talk to Michi this coming Saturday in order to talk about salvation.

Personal Soulwinning

A few weeks ago, one of my downstairs neighbors rang my doorbell and asked if we could talk sometime. The following day we got together and he told me that he had been watching my life and noticed that I was different. He had heard that I was a priest, but I was nothing like the priests he knew (having grown up in the catholic church). I was able to sit down with him and thoroughly explain the plan of salvation. So far, he has not made a profession of faith, but has promised to come and hear me preach.

Preaching in Belarus

A Baptist church planter in Belarus asked two Baptist pastors and I to come and preach and teach on specific principles from the Bible:

- Eternal security of the believer
- Temptation and Sin
- Ecclesiology (doctrine of the church)
- The Bible and Prayer
- Personal Soul Winning

Each Session went two hours (one preacher one hour another the next hour) and one hour of Questions and Answers (for all the preachers) at the end. I was truly amazed at the people's hunger for the Word of God, praise the Lord!

Because of Christ,
