Edward & Nicole Taylor

Biography

First, we want to say “thank you” for taking the time to read this biography about my wife and I. Nicole and I are members of Hillcrest Baptist Church in El Paso, Texas with Pastor Joe Dickinson. We are independent, fundamental, King James Version, saved by grace, local New Testament church believing Baptists. I am a graduate of West Coast Baptist College in Lancaster, California with Pastor Paul Chappell. My wife and I will be sent out of our local church, where we were saved, baptized, disciplined, married and called out. My wife and I just recently married on the 31st of July 2010.

My Wife Nicole Amorette Taylor

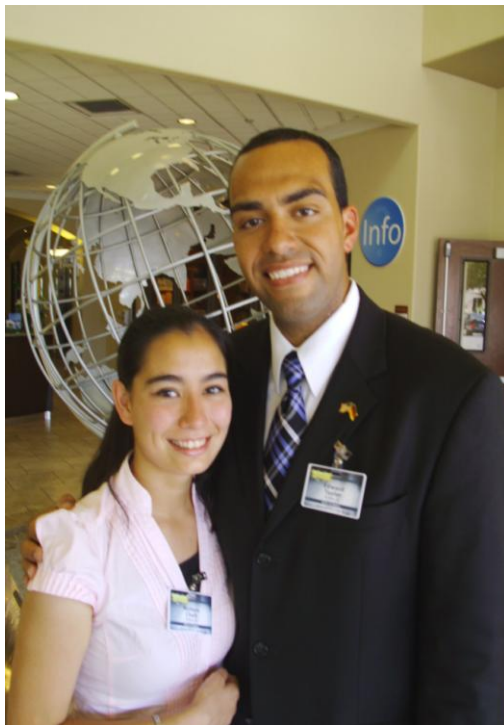

My wife was born in Torrance, California on August 9, 1990. Her father Chris Chelf is from Lancaster, California. He was saved while stationed in Mississippi in the US Air force. My wife’s mother is Cindy Chelf (maiden name Carranza), born in East Los Angeles. My mother in law also served in the US ARMY and also worked at a local Hospital in Los Angeles. She was also saved while in the military. My wife’s parents have been married for over twenty years. My wife has two siblings, Cody seventeen and Heavenly who is twelve. My wife has been raised in a godly home all of her life. Nicole was saved at the age of twelve. She has kept a very godly, modest and pristine testimony. She surrendered her life to the ministry around the age of seventeen. My wife serves in every capacity available at our church. She has a tender heart for souls. My wife is humble, kind and truly genuine. Nicole can touch even the toughest heart with her godly, kind, compassionate sweet character. My wife has kept herself pure till marriage and in my eyes she is a woman of honor. My wife has taken bible college courses at our local church. Once we arrive in Germany she will be taking online courses from West Coast Baptist College. I praise the Lord for my precious wife. She is excited about the mission field of Germany, yet nervous about the many changes. Please continue praying for my wife, we appreciate that greatly.

Missionary: Edward Lee Taylor, Jr.

I was born in Stuttgart, Germany on October 16, 1984. My father Edward Lee Taylor, Sr. is a combat veteran with 26 years service in the US ARMY. He was saved at the age of twelve in his home state of Mississippi. My mother Sabine Taylor (maiden name Heckl) is a German national from the area of Kaiserslautern, Germany. My parents are both saved and have been married well over twenty-six years. Before I was born till my junior year at West Coast Baptist College my family has been a military family. My parents raised us in a Christian home. I have one sister named Cindy she is twenty-four and she is a financial advisor. I have lived in Germany for over thirteen years. The Lord has given me the capability to read, write and speak German fluently. I was saved at the age of six. I was called to preach at the age of thirteen at Silver State Youth Camp in Sedalia, Colorado. While flying back to the US from Germany on September 10, 2001 the Lord put the calling of Germany in my heart. After graduating from West Coast Baptist College I worked one year at my local church and then I was sent out to Germany. The Lord allowed me to be in Germany as a missionary for two years with veteran missionaries Tom and Sandy Hastings. Bibel Baptisten Gemeinde is the name of the church I served with the Hastings. The ministry is completely to Germans and the members are great people. The Hastings’ share the same love for Germany and its great people as I do. The time that I have been in Germany I have been able to lead eleven people to Christ. I have preached in

numerous German Baptist Churches all across Germany. The Lord let me preach in Italy, Holland and Czech Republic. I truly enjoy seeing revival fires across Germany and being part of it. I have preached at numerous camps around Germany. My heart is deeply burdened for the people of Germany. The church in Germany and Pastor Hastings have prayed and voted me to come back to work and prepare to take over the church as the Pastor in God's timing.

In closing I just want to say "thank you" once more for taking the time to read this biography. I pray that you consider us as your servants and missionaries to the land of Germany. If you have any questions please let us know, I pray that we get to meet personally one day. May the Lord bless you, your family and the ministry He has given you to serve in.
